Are you tired of 'veiled' threats to muslims?

sick to death of government racism?

bored stupid by the xenophobia pushers?

Just cut out the designs at left, stick them onto both sides of standard matchboxes, leave lying around in your local pub, cafe, RSL club... and watch the fun begin.

IT'S  
A FART CUSHION  
FOR THE MIND!

IT WON'T CHANGE  
THE WORLD  
but it's something to  
do while you figure  
out how to!
